

Your kindness matters

2022 Circle of Hope Report

Your gift to Circle of Hope provided crucial patient financial support to our patients, making a profound difference during their challenging journey.

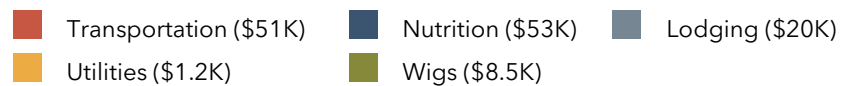

Challenges that our patients and their families face because of their cancer diagnosis:

- Decrease in income and assets
- Increased debt
- Difficulty paying for housing, food and bills.
- Bankruptcy

Your Gift at Work

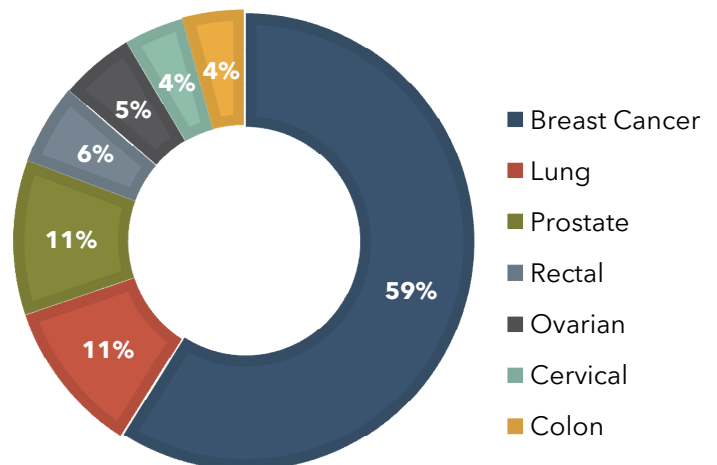

Your gift to the **Circle of Hope Fund** provided cancer patients with direct financial assistance to offset the expenses of the disease.

Who You Served

In 2022, through the Circle of Hope program you assisted approximately 275 patients with more than \$134,400 in assistance. This is a 31% increase from 2021.

You served patients with more than 30 types of cancer, this represents the seven most commonly supported through the Circle of Hope fund.

100% of your gift to Circle of Hope reaches our patients and their families.
Thank you for your compassionate support.
You made a meaningful difference on their path to healing.
